RE: Docket # E-01345A-07-0663 and T-01846B-07-0663

To Whom it May Concern:

This letter is to advise you that we have changed our position on the Underground Utility Proposal in Hillcrest Bay, Parker, Arizona. We were originally in favor of this project but are now OPPOSED. We request that our decision be reflected in the tally of the percent of homeowners OPPOSED to the proposal. We believe the downturn in the worldwide economics has made this project unfeasible at this time and also oppose any further expenditures or obligations regarding this project.

Thank you,

Tom W. Ayers
